What we need from you:

- We prefer a Hi-Resolution PDF (print quality) (PDF1.4)
- No crop / trim marks / bleed needed
- All colours must be CMYK if possible
- Convert text to outlines or supply the font(s) used
- Keep vital text or images at least 35mm away from the edges
- Prefix your file name with your order reference number

Please open your PDF and view @ 200% to check the resolution of any images or gradients - if they look pixelated or blurred that's how they will print.
